Bullsonne

Bullsonne

Korean No.1 Car Care Company

Create a future beyond expectations!

Bullsonne, the company that the future pays attention to the history of Bullsonne has been one of overcoming a series of challenges. Bullsonne has grown into the industry's No.1 business by exploring new markets within the auto care products industry. It's eco-friendly products, deriving from the will to care for customers, society and environment, have set the trend in the market. Bullsonne's diverse brands and it's new, fresh marketing have helped the company with the hearts and minds of customers and Bullsonne is spreading a car care culture through the "Love My Car" Campaign with consumers. Now Bullsonne wants to write a new history in the global auto care market as the world's best auto care products enterprise.

Partners in the World.

Welcomes world-class partners with the right offering and skill sets in auto after market for creating new business opportunities and collaboration on project.

LOVE MY CAR CAMPAIGN

'Love My Car' is a Bullsonne Brand Campaign to spread the proper car management culture for the healthy, safe and pleasant car life of the drivers.

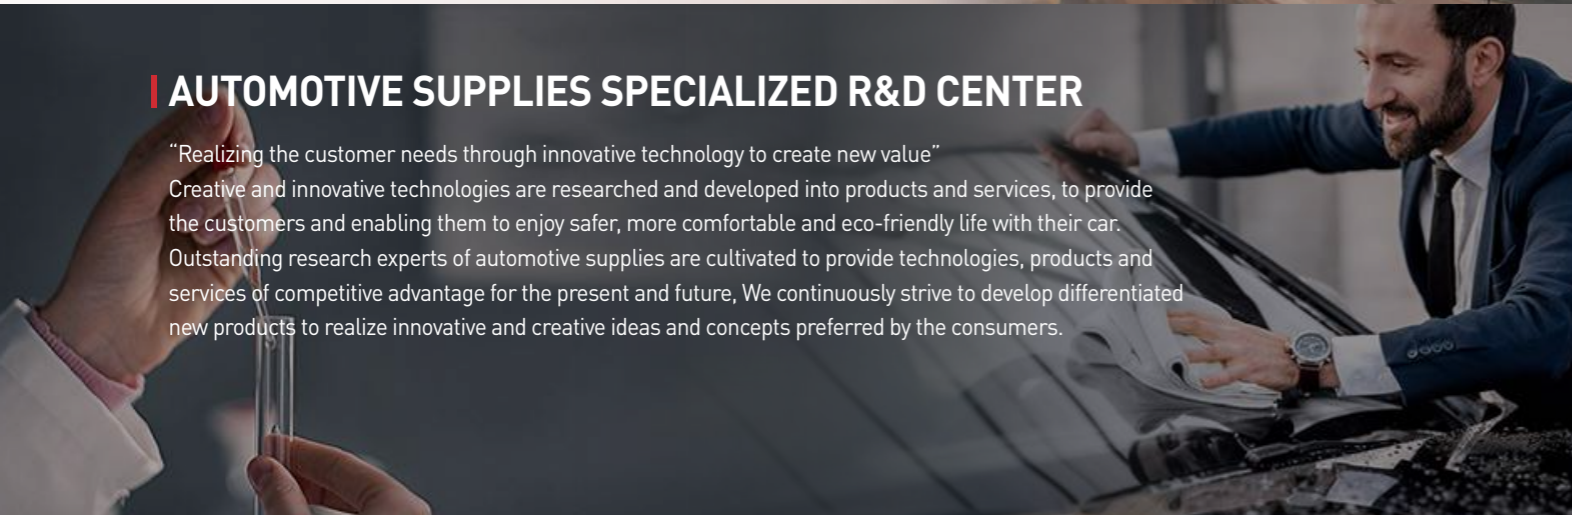

Bullsonne # Love My Car
Everything for your car

AUTOMOTIVE SUPPLIES SPECIALIZED R&D CENTER

"Realizing the customer needs through innovative technology to create new value"
Creative and innovative technologies are researched and developed into products and services, to provide the customers and enabling them to enjoy safer, more comfortable and eco-friendly life with their car. Outstanding research experts of automotive supplies are cultivated to provide technologies, products and services of competitive advantage for the present and future. We continuously strive to develop differentiated new products to realize innovative and creative ideas and concepts preferred by the consumers.

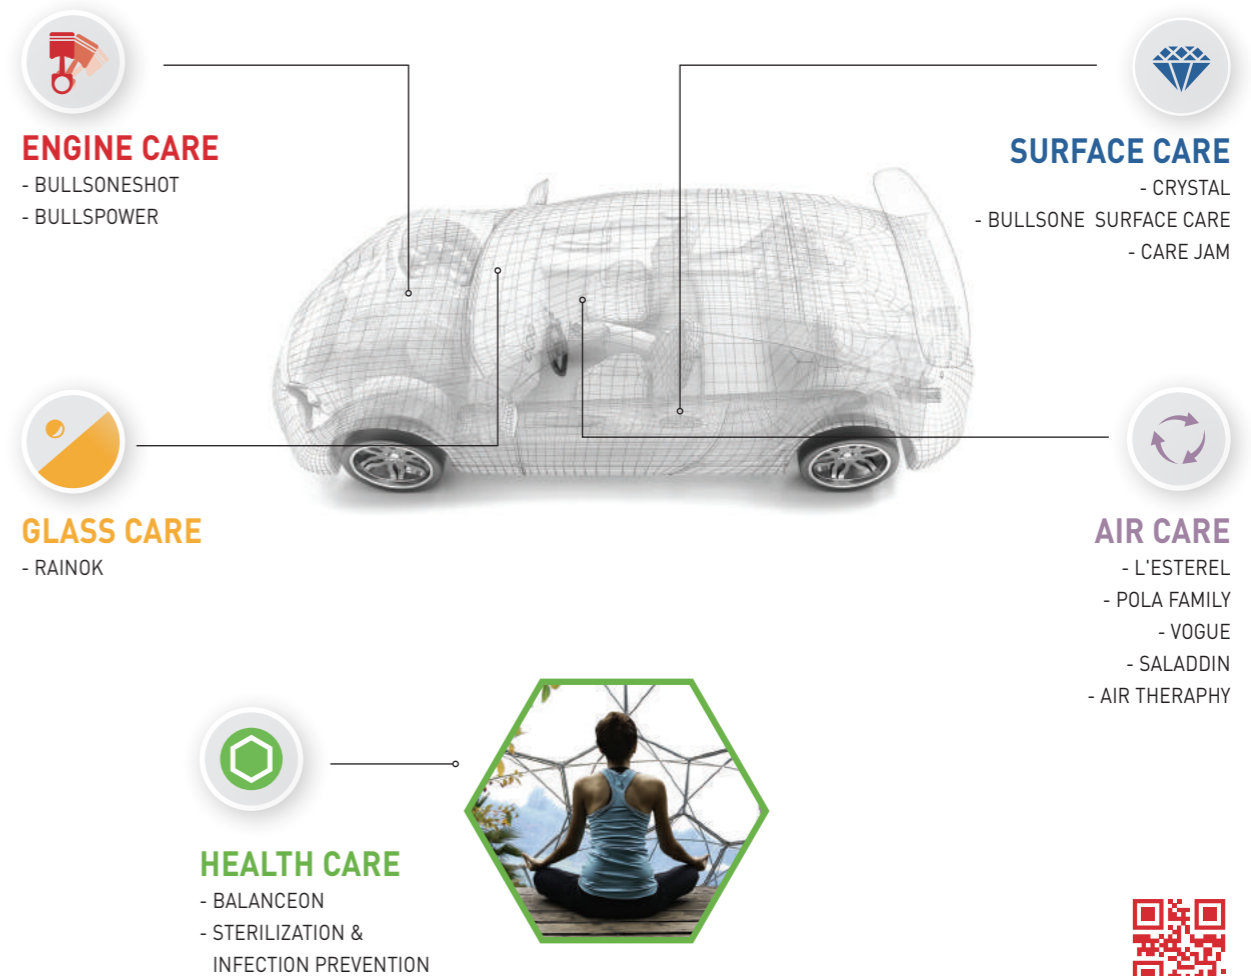

TOTAL CAR CARE SOLUTION

FOR MORE DRIVING PLEASURE!

Bullsonne has a professional brand and technology to take care of all parts related to driving

Bullsoneshot

Bullsoneshot : Complete Fuel System Cleaner

KEEP YOUR ENGINE CLEAN AND LIKE A NEW CAR!

01

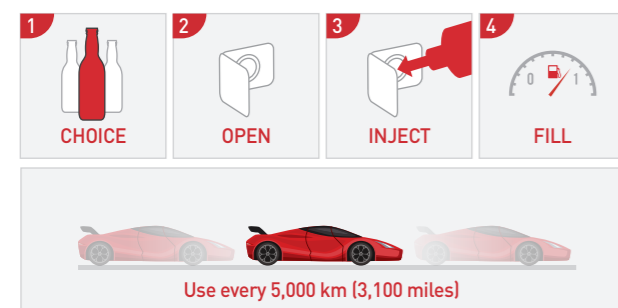

Features

BULLSONESHOT removes harmful carbon deposit in your car engine and recovers original performance of the car like the new. Enjoy your driving with **BULLSONESHOT!**

Benefits of BULLSONESHOT

- Power ↑** · Uprates Power : 2.81% output enhancement
* KATECH test result
- Cost ↓** · Improves Fuel Efficiency : 2.8% mileage improvement
* KATECH test result (Base fuel: gasoline)
- Leaf** · High Cleaning Performance & Reduced Exhaust Emissions :
5.68% THC, 14.9% CO & 5.15% NOx reduction
* U.S. Intertek test result (IVD): 73% cleanliness
- TUV** · Over the past decade, **BULLSONE** has conducted more than 100 official tests, on various car models, by 6 Various global certified testing agencies (e.g. TUV GERMANY, KATECH, U.S. Intertek, UK's Tickford, ETF, Chinese CRAES, VETC, etc.), and provided its excellence.

4 Steps of using BULLSONESHOT

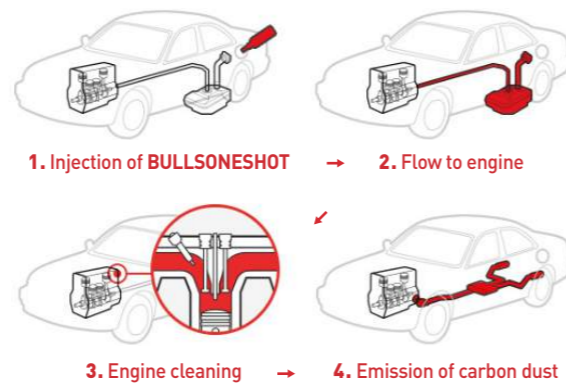

Before & After

- INJECTOR**
Removes carbon residues, maintaining proper fuel atomization and complete fuel combustion.
 - AIR INTAKE VALVE**
Restores smooth and elaborate air intake.
 - COMBUSTION CHAMBER**
Improves combustion performance
- With carbon deposit
■ After BULLSONESHOT injection

Working Principles of BULLSONESHOT

* Did you know that there is no contact between an engine oil line and a fuel line inside of an engine? In order to keep a car engine as good as new, both regular engine oil management and engine cleaner management, which is intended to remove the fuel line's carbon deposit, are required.

For New Car

BULLSONESHOT NEW CAR

500 ml (16.91 fl.oz)

- Optimized for **Low Mileage** between 0 km -30,000 km (18,641 miles) New Car
- Helps avoid of carbon deposit accumulation.
- Best protection Performance.

- G** GDI Booster
- D** CRDI Booster

Ultimate Version

BULLSONESHOT PRO

500 ml (16.91 fl.oz) **PROFESSIONAL**

- Enhanced Cleanliness performance
- Powerful Protective coating on piston and cylinder wall.
- Water Remover Performance : Quickly removes moisture in the fuel tank & line.
- Prevents Fuel Oxidation (Fuel stabilizers prevent Gum and Sludge caused by fuel oxidation)

- G** GDI Booster
- D** Enhanced Cetane rating Improver

Regular Version

BULLSONESHOT STANDARD

500 ml (16.91 fl.oz)

- Perfectly cleans harmful carbon deposits on Injector, Intake Valve & Combustion Chamber.

- G** GDI Booster
- D** CRDI Booster / Cetane rating improver

For Truck & Bus

BULLSONESHOT STANDARD FOR TRUCK & BUS (DIESEL)

1 L (33.81 fl.oz)

- Perfectly cleans harmful carbon deposits on Injection & Combustion Chamber.
- For Truck & Bus
- High Concentrated(1.0 L) and Upgraded performance
 - 3 times faster Engine power restoring
 - Improving Startability
 - Added Water Remover
- Recommending for 30,000 - 70,000 km (18,641-43,495 mile) Mileage car

- D** CRDI Booster / Cetane rating improver

For MotorBike

BULLSONESHOT FOR MOTORBIKE

100 ml (3.38 fl.oz)

- Perfectly Cleans harmful carbon deposits on Injector, Intake valve and Combustion Chamber of Motorbike.
- Power ↑ Acceleration ↑ Fuel consumption ↓ Noise ↓ Exhaust gas ↓
- 100 ml of Bullsoneshot for motorbike available for 6 L of fuel tank
- or the best maintenance, use every 1,000 km(621.37 miles)
- Tested in USA

Enhanced Version

BULLSONESHOT PREMIUM

500 ml (16.91 fl.oz)

- Enhanced Cleanliness performance.
- Powerful Protective coating on piston and cylinder wall.

- G** GDI Booster
- D** CRDI Booster / Cetane rating improver

NEW

BULLSONESHOT WATER REMOVER

300 ml (10.14 fl.oz)

- Removes water in fuel tank
- Anti Corrosion
- Prevents breakdown in Fuel line, Injector, Fuel pump
- Prevents engine weariness by Lubricity Improver added
- Best solution for **Bio-Diesel**

- G** Improves engine start performance by Cetane Booster
- D** Prevents accumulation of engine sluges by Detergent-dispersant.

Bulls Power

BULLSPOWER based on the Golden Time for Engine Abrasion Prevention!

PROTECT YOUR ENGINE FROM DAMAGES!

02

Caution Pour Bullspower first and then fill new engine oil to prevent "Overflow"

Features

- Based on **7 Seconds of the Golden Time** for Engine Abrasion Prevention.
- Protects Engine against wear from 'Dry Start'.
- ENGINE OIL ADDITIVE FOR GASOLINE / DIESEL / LPG ENGINE 4-6 L of Engine Oil Tank

Benefits of BULLSPOWER

- Reduces Engine Noise
- Increases Driving Comfort
- Upgrades Power
- Extends Engine Life

Standard Version

BULLSPOWER ENGINE COATING TREATMENT STANDARD

300 ml (10.14 fl.oz) **STANDARD**

- Double layered coating with AOMC & Nano Fullerene reduces Engine Friction.
- Esther base oil

- Doesn't Contain 3 hazardous materials [Chlorinated paraffin / PTFE(teflon) / MoS2 (molybdenum disulphide)]

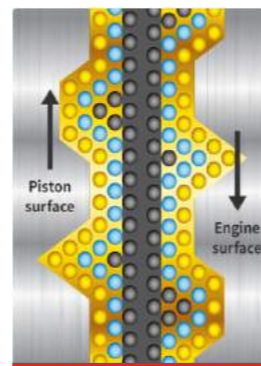

BULLSPOWER ENGINE COATING TREATMENT

3-layered coating films (organic molybdenum, nano fullerene, organic tungsten) will be formed through BULLSPOWER Engine Coating Treatment's unique engine protection materials so that the engine can be reliably protected.

- **Advanced Organic Molybdenum Compound (AOMC)** : Intended for mileage improvement, this material improves lubrication performance and protects the engine during dry start and road driving.

- **Organic tungsten** : Highly resistant to scratch at high temperature, this material protects the engine at high-output/high-speed driving.

- **Nano fullerene** : Having won a Nobel Prize in Chemistry, this material improves lubrication performance through bearing effects.

Bullspower's 3-layered coatings
● AOMC ● Tungsten ● Nano Fullerene

Pour in the engine oil inlet!

Premium Version

BULLSPOWER ENGINE COATING TREATMENT PREMIUM

300 ml (10.14 fl.oz) **PREMIUM**

- Double layered coating with AOMC & Nano Fullerene reduces Engine Friction.
- Prevents engine oil leak.
- PAO base oil

- Doesn't Contain 3 hazardous materials [Chlorinated paraffin / PTFE(teflon) / MoS2 (molybdenum disulphide)]

For Professional

BULLSPOWER ENGINE COATING TREATMENT TRIPLE ACTION FOR PROFESSIONAL

410 ml (13.86 fl.oz) **PROFESSIONAL**

- Enhanced Engine Coating Treatment with Triple Power.
- Triple Coating System
- Coating 1 : AOMC → Coating 2 : Tungsten → Coating 3 : Nano Fullerene
- Tungsten, which is a scratch resistant material at high temperatures protects the engine from high-speed driving and a dry / cold start.
- Containing Tripled fullerene for enhanced efficiency.
- Synthetic Diester base oil
- Doesn't Contain 3 hazardous materials [Chlorinated paraffin / PTFE(teflon) / MoS2 (molybdenum disulphide)]

MISCELLANEOUS

COOLANT / ANTI FREEZE

1 L (33.81 fl.oz)

- Supplemental
- Mix coolant with water (1:1)

E-21

COOLANT / ANTI FREEZE PRE - MIX

3 L (33.81 fl.oz)

- Replacement / Pre-mix Type
- Directly use without water. Purified water and Coolant are pre-mixed already.
- High purity without organic matter, micro organism and ion.

E-22

- For all makes and models, extended life, guaranteed up to 40,000 km(25,000 mile).
- Anti-Corrosion & Rust / Protects Aluminum Radiator / Prevents Engine Over Heat / Available for every season Protects coolant system metals including heat-rejecting aluminum against pitting caused by cavitation and corrosion. (Aluminum compatible)
- Provides carefully balanced protection against water freezing(-37°C) and summer boil over.

BULLSPOWER ENGINE FLUSH SUPPLEMENTAL

300 ml (10.14 fl.oz)

- Recommended for new or well-managed vehicle

E-18

BULLSPOWER ENGINE FLUSH REPLACEMENT TYPE

3 L (101.44 fl.oz)

- Recommended for old or neglected vehicle.
- Esther base oil added for more powerful cleaning

E-19

- Removes residual sludge and harmful deposit in the engine.
- Prevents oil dirt accumulating on the engine oil line and engine parts.
- TBN Booster helps to achieve 100% fresh engine oil performance.
- Solvent free.

BULLSPOWER ENGINE WASHING OIL FOR ENMA™

1 L (33.81 fl.oz)

- Exclusively for Bullson EnMa™ (Engine Management service)
- Strong detergent dispersant can decompose accumulated sludge in engine oil line and engine parts chemically
- Totally Disassembled engine oil sludge discharged together with old engine oil after using Engine Flush™.
- No Solvent.

E-20

BEST FOR ENGINE TREATMENT

MULTI PURPOSE LUBRICANT

360 ml (12.17 fl.oz)

- Removes and prevents rust from reforming. Outstanding lubricity with 100% synthetic base oil & AOMC coat.
- Safe to use on painted plastic, rubber and metal surface.
- 100% Synthetic oil base: A high-performance premium lubricant with no impurities removed through chemical processes and refining.
- AOMC Coat : A low friction coat, formulated with the state of the art technology patented in the U.S. and Japan, forming a thin protective layer on metal surface to reduce friction and wear.
- Odor Free.

E-23

AIR INTAKE SYSTEM CLEANER

550 ml (18.60 fl.oz)

- Removes harmful deposits inside the throttle body.
- Specially formulated to remove carbon residue, dirt and other pollutants finely.
- Maintains the correct air-fuel ratio giving better fuel efficiency and complete combustion and reduces exhausts.
- Safely applicable to oxygen sensor and catalytic converter.
- Adjustable spray nozzle in all directions.

E-24

CRYSTAL

CRYSTAL : Simple Solution for Crystal Shiny Car

EXPERIENCE KNOW-HOWS OF CAR CARE EXPERTS!

03

Benefits of CRYSTAL ✦

- Perfect Coating
- Outstanding Cleaning Performance
- Extreme Crack Removal
- Green Recipe

Comparison of BEFORE / AFTER ✦

Steps for Detailing ✦

WASH

CRYSTAL CAR SHAMPOO FOAMING SPRAY TYPE

500 ml (16.91 fl.oz)

Foaming Spray Type

- Contains enhanced protective auto-body coatings components.
- Exclusively applied onto the coated surface of the vehicle.
- No damage to painted surface of the vehicle and harmless to human skin with pH7-based formula (a neutral synthetic washing agent).
- Easy-to-use High Foaming type (No preparation of water dilution)

S-1

CRYSTAL BUBBLE CAR SHAMPOO

1.2 L (40.54 fl.oz)

- pH neutral and phosphate-free car shampoo.
- Excellent Bubble.
- Durable bubble car shampoo : For Hand wash / Foam lance (Foam gun).
- Available for all parts of vehicle surface : Paint, Rubber, Plastic, and Glass surfaces.
- Minimize the scratch on the car body by Special formula while washing.
- Protects wax layer.
- Fresh Apple scent.
- Economic size (About 80 times) : 15 ml for 3 L of water (for Bucket Car Wash)

S-2

DETAILING

CRYSTAL COMPOUND

150 ml (5.07 fl.oz)

- Eliminating Scratches & Restoring Gloss.
- Innovative and advanced compound that restores gloss as well as easily removes scratches, swirl marks, water & paint stains while minimizing damage on the painted surface.
- Removing scratches and Improving gloss at the same time.
- Recommended to use CRYSTAL COMPOUND before using CRYSTAL COAT. Finely cleaned & polished paint finish conditions help provide clear coat, maximize the gloss grade, durability and dirt-repellent.
- Provided a specially designed chamois cloth for Crystal Compound.

S-3

CRYSTAL DUAL COAT AEROSOL TYPE

300 ml (10.14 fl.oz)

S-4

CRYSTAL COAT PLUS SPRAY TYPE

300 ml (10.14 fl.oz)

S-5

- DCC(Double Crystal Coating). Bullson's own high technology for coating, provides and keeps brand-new & deep original gloss of the painted surface of the vehicle.
- Repeated application creates layer-by-layer coating for long lasting gloss.
- By smoothing the painted surface evenly, DCC(Double Crystal Coat) creates high-water repellent layer preventing the adhesion and penetration of contaminants and maintains the paint's luster.
- Restores old car surface up to 85 GU(Gloss Unit); new car's GU is approximately 90.
- Easy-to-use with even little waters on the surface.

CRYSTAL OMG SHOCKING GEL

300 ml (10.14 fl.oz) **ALL IN ONE**

- All in one type of surface care : Compound + Rain Repellent Coating + Car Wax + Bug Cleaner
- Scratch removal
- Gloss effect
- Contaminant removal
- Static electricity prevention
- UV protection

S-6

INTERIOR & GLASS

CRYSTAL INTERIOR CLEANER

500 ml (16.91 fl.oz)

- Perfectly removes contaminants and stains on the plastic, fabric and leather seats in a car.
- Restores the original colour of interior of a car.
- Interior shine effect.
- Anti-static, protects against recontaminations.
- Provides keeping pleasant interior of a car by fragrance coating film. (Blackberry scent)

S-7

CRYSTAL GLASS CLEANER

500 ml (16.91 fl.oz)

- 3 in 1 Glass Cleaner : Glass cleaning + Glass Coating + Rain repellent effect. (Extreme Performance)
- Exclusively formulated Glass Cleaner for Rain Repellent, Brilliant Shine and Smooth & Easy Clean.
- By creating the transparent rain repellent coating layer, it prevents recontamination effectively.
- Bug stains, mute, sap from tree and oil film can be removed easily.
- Eco-friendly (Non-ionic surfactant and Neutral pH ingredient), safe for tinted glass and inside glass.

S-8

TIRE & WHEEL

CRYSTAL WHEEL CLEANER

500 ml (16.91 fl.oz)

- PREMIUM WHEEL CLEANER removes Iron(Fe) dust!
- Fast and Strong detergency
- Dissolves the brake dust, oil stain, grease, and iron from brake on the wheel cap in a moment.
- Content colour of Crystal Wheel Cleaner turns to Purple colour for wheel cleaning after spraying.
- All types of wheel available by Neutral pH(Acid-Free).
- Prevents corrosion and rust for surface of wheel and nut.
- Odor free with fresh scent.

S-9

CRYSTAL TIRE COAT GEL

300 ml (10.14 fl.oz)

- Water based Gel Type. Able to do delicate coating works.
- Coating layer created by dedicated works lasts up to 6 weeks.
- Able to use on wet tire after washing. And coating layer is created immediately after applying.
- Anti-aging formula prevents crack on the tire surface.
- Available to use for every type of tire.

S-10

WASH

CAR SHAMPOO

530 ml (17.92 fl.oz)

- Washes paint surface, bumper, glass, tire and mat of vehicle in any car colour
- Biodegradable Nonionic Surfactant; Eco Friendly and Safe for the car surface with pH 7.0(Neutral)
- Ultra Concentration 1:200 (30 mL of Car Shampoo with 6 L of water)
- Sweet Cherry Scent

S-11

FOAMING SHAMPOO

550 ml (18.60 fl.oz)

- Washes paint surface, bumper, glass, tire and mat of vehicle in any car colour
- Spray on directly for a quick and easy car wash. No need to dilute in water.
- Concentrated foam cleans car surfaces safety and efficiently.

S-12

WATERLESS 2 IN 1 CLEANER

550 ml (18.60 fl.oz)

- Advanced concept to wash a car waterless
- Washing & Waxing at the same time! (Waterless car shampoo with Waxing formula)
 - Anywhere and Anytime, you can wash your car without water.
 - Save Water, Save Time, Save Money.
 - Carnauba emulsion makes your car glossy.
 - Scratchless on the car body by Special formula.
 - Fresh Apple Scent.

S-13

COMPOUND

SWIRL REMOVER

300 ml (10.14 fl.oz)

- Removes fine scratches and restores gloss at one time.
- For all car colours.

S-14

SCRATCH REMOVER

100 g (3.52 oz)

- Removes light scratches, painted marks, tar and comparisons easily and effectively.
- Premium rubbing compound.
- For all car colours.

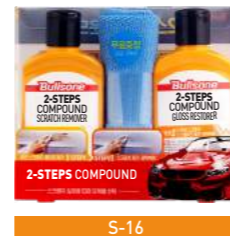

S-15

2-STEPS COMPOUND

150 ml (5.07 fl.oz)

- Step 1 : Removes Large-Mid size of flaws & scratches, Paint stains, Water stain, Pine Resin, Tar, and Rust etc
- Abrasive size : 1,500 grit (12 µ (Micron)
- Step 2 : Removes swirl and Restores gloss on the surface getting murky by using compound / Abrasive size : 8,000 grit (1.0 µ(Micron)

S-16

3 STEPS COMPOUND MINI KIT

25 g (0.88 oz)

3-STEP COMPOUNDS – Economical size (each of 25 g) and easy to store in a car.

- Step 1 : Remove Large-Mid size of flaws & scratches, Paint stains, Water stain, Pine Resin, Tar, and Rust etc
- Abrasive size : 1,500 grit (12 µ (Micron))
- Step 2 : Remove Fine scratches and Swirl / Abrasive size : 8,000 grit (1.0 µ (Micron))
- Remove fine scratches and restoring gloss on the surface get ting murky by using Step 1 compound.
- Good for Metal Emblem and other metal surfaces of car
- Step 3 : Remove swirl and Restoring gloss on the surface getting murky by using compound / Abrasive size : 8,000 grit (1.0 µ(Micron)

S-17

WAX LIQUID TYPE

HIGH GLOSS DETAILER

550 ml (18.60 fl.oz)

- Restores gloss and protects on automotive painted surface.
- With premium Carnauba wax contained, provides exclusive paint protection (a wet and deep gloss look) and rain repellent effect.

S-18

LIQUID WAX

550 ml (18.60 fl.oz)

- Water polish type.
- Works on water remain surfaces, wipe immediately after spraying for quick gloss effect on your car.
- Contains cleaning components to eliminate remaining dirt after car wash.
- For the surfaces that have been polished with other products, just simply remove remaining dust and apply directly for easy car wash and gloss effect.
- Applicable to all car colours.

S-19

WAX PASTE TYPE

NANO TECH ULTRA SHINE WAX

300 ml (10.14 fl.oz)

- Removes fine flaws & scratches.
- Incorporates Nano-technology with a high density special polymer to fully restore your car's deep shine.

S-20

HIGH GLOSS WAX

500 ml (16.91 fl.oz)

- 3-layer-coat Effect; specially blended with silicon-based resin achieves incorruptible gloss.
- Eliminates fine swirls, perfecting the paint finish prior to waxing.
- Maximize Protection : Blocks UV rays, Anti-recontamination, Rain Repellent.
- Easy for a beginner level.

S-21

WAX HARD TYPE

PREMIUM CARNAUBA WAX

300 g (10.58 oz)

- Provides ultimate long lasting, excellent deep gloss.
- Premium wax made with The 1st grade Brazilian natural carnauba.
 - * Exhaust gas, polluted Air, Acid rain, chemicals detergent (carwash) and UV rays damage Top Clear Coating layer on painted surface of car and make car losing its gloss.
- Resilient coating layers helps protect surface against harmful UV rays that dulls a car's finish.
- Contains banana scent.
- For all car colours.

S-22

NANO TECH WAX FOR BLACK & COLOURED CAR COLOUR

300 g (10.58 oz)

NANO TECH WAX FOR WHITE CAR COLOUR

300 g (10.58 oz)

S-23

S-24

Nano Base Formula

- To maximize gloss effects, special formula developed by Nano Technology is applied.
- Advanced Nano-technology creates Triple layers (PTFE- Special Silicone-Wax) of protective coat to keep your car shiny.
- Each Nano Tech Wax has different formula that is strong for each colour of car.
- Triple layers safely protect car body against exhaust gas, air pollution, acid rain,
- Chemicals detergent(car wash) and UV rays.

VANGUARD WAX

200 g (7.05 oz)

Economic version

- Premium carnauba wax contained
- Long lasting glossy shine
 - * Thin-layer prolongs the protection against exhaust fumes, acid rain, UV rays, and friction from automatic car washes.
- With excellent Rain-Repellent / Beading effect and Anti-recontamination, easily maintain car body in good condition for a long time.

S-25

TIRE & WHEEL

TIRE CLEAN & SHINE

550 ml (18.60 fl.oz)

- Cleans, prevents from aging and restores high gloss on the tire surfaces.
- Intense foam lifts away tough dirt.

S-26

TIRE SHINE PROTECTANT

550 ml (18.60 fl.oz)

- Specially formulated silicone ingredient makes the tire more glossy and long lasting.
- Restoring natural colour of the tire.
- Protecting anti-aging, cracking and discoloration.

S-27

AQUA TIRE SHINE

600 ml (20.29 fl.oz)

- Water based tire dressing.
- Delivers natural deep gloss of the tire.
- Quick coating enhances rain repellent effect.
- Sweet banana scent.

S-28

WHEEL & TIRE CLEANER 2 IN 1

550 ml (18.60 fl.oz)

- Cleans Tire and Wheel at once.
- Contains safe and special cleaning formula for protecting steel material. (Safe for normal wheel, aluminum wheel, chrome wheel)
- Eco-Friendly formula: To protect environment, only use biodegradable surfactant.
- Contains moisture element for anti-aging of the tire.

S-29

EXTREME WHEEL CLEANER

600 ml (20.29 fl.oz)

- No damage all steel material including wheel and coated area, rubber parts and tires by using Activated Breakdown Enzyme.
- Dissolves the break dust, oil stain, grease on the wheel cap in a moment.
- Improves gloss of wheel and restores original gloss.
- Prevents re-contamination and keeps cleanliness of wheel long.

S-30

INTERIOR

INTERIOR CLEAN & SHINE

550 ml (18.60 fl.oz)

- Restores the original colour of dashboard, internal material of doors, bumper and urethane on your vehicle.
- Protects from aging and cracking.
- Premium liquid wax with enhanced gloss and protection impact.
- Anti-static, protects against recontaminations.

S-31

UPHOLSTERY CLEANER

300 ml (10.14 fl.oz)

- Perfectly removes contaminants and stains on the plastic, fabric or leather seat inside a car.
- Prevents re-contamination and restores the original colour of dashboard by ingredient of silicon.
- Relaxing scent.

S-32

CAREJAM LEATHER CLEANER

300 ml (10.14 fl.oz)

- Cleans leather safely and effectively.
- Removes dirt without damage to natural leather.
- Selected top quality aloe extracts help moisturize and prevent leather from aging.

S-33

CAREJAM LEATHER LOTION

300 ml (10.14 fl.oz)

- Contains natural ingredients such as Aloe and Lanolin, which prevent leather from cracking, aging or hardening.
- Restores the leather's original colour and maintains the unique texture of leather.

S-34

PLASTIC RESTORER

300 ml (10.14 fl.oz)

- Restores and protects of all plastic parts of a car from UV rays, Ozone and contamination.
- Long-lasting effects of gloss of interior & exterior of plastic parts by special silicon coating layer.
- Coating effect prevents re-contamination and easy to remove contamination.
- Available for various parts of a car.

S-35

INTERIOR

PREMIUM 3 IN 1 GLASS CLEANER

550 ml (18.60 fl.oz)

- Exclusively formulated to lift away dirt and grime highly smoothly and effectively while leaving a rain repellent layer for clear driving visibility in rain.
- Provides protection against re-contamination.
- Safely applicable to all vehicle mirrors.

S-36

BUG CLEANER

550 ml (18.60 fl.oz)

- Easily and quickly dissolves bug stains, mute, tree sap.
- Safe for painted surface and glass of vehicle.
- Contains premium wax formula that maintains a glossy look.

S-37

STICKER & TAR REMOVER

180 ml (6.08 fl.oz) / 400 ml (13.53 fl.oz)

- Quick and Easy for use
- Removes sticky sticker marks and tar which is debris of asphalt cleanly.
- Contained Natural Orange Scent for odor free.

S-38

MULTI PURPOSE CLEANER

550 ml (18.60 fl.oz)

- Concentrated super cleaner that easily removes grease, filth and various stains and restores original colour.
- With sterilizing effect, kills germs of the interior surfaces, maintain sanitary and clean condition of the vehicle interior.
- Resistant to corrosion and non-flammable.

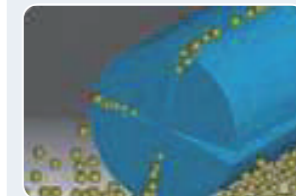

S-39

ACCESSORY

ADVANTAGES OF MIRCROFIBER

- Outstanding absorbing and draining ability Absorbs lots of moistures like a magnet in a moment and evaporates moisture in a short time by just squeezing with hands through numerous minute air holes inside of a fiber.
- Ideal for ultra-fine polishing & waxing. Thin fiber absorbs a proper amount of wax.
- Easy to remove contaminants inside of fiber Removes contaminants easily through air holes between a fiber and a fiber.

SECTIONAL STRUCTURE OF DUSTERS

< Normal duster >

< Microfiber dustert >

BULLSONE PREMIUM CAR DUSTER

- Uses more stronger Ultra Microfiber used for Optical Lens cleaning.
- Removes dust rapidly without fine scratches.
- Can keep this duster into a specially designed case.
- Adapted Length regulator for the convenience.

S-40

SUPERFINE CLOTH FOR CLEANING TOWEL

- Leaves a spot-free finish by absorbing up water strongly.
- Wrings out easily by excellent water-evaporating speed.

S-41

SUPERFINE CLOTH TOWEL SET

Drying + Polishing + Glass cleaning

- Cleaning, Glass cleaning and polishing tower in 1 package.
- Must have item for car caring.

S-42

TISSUE TYPE

ARTIFICIAL LEATHER WAX TISSUE

10 Sheets

- Available for artificial leather (artificial leather car seat) / Dashboard / Interior material of car / Bumper / Urethane / Furniture and surface of electronic products.
- Cleaning and Waxing are available at the same time.
- Removes any dust, stains and pollutants and keep glossy.
- Prevents aging and hardening

S-43

NATURAL LEATHER WAX TISSUE

8 Sheets

- Available for Car Seat / Leather Sofa (Natural leather is applicable) / Leather Shoes / Leather Bag
- Cleaning and Waxing are available at the same time.
- Water repellent coating film protects any unexpected transforming of Leather surface by water or humidity.
- Vegetable oil base of wax ingredients protect recontamination. (Containing Aloe extract)

S-44

GLASS CLEAN TISSUE

10 Sheets

- Tissue type for a glass cleaning and absolutely easy to use.
- Available for inside and outside of vehicle-glasses, glasses in home and mirror.
- Removes contaminants and ingrained stains in car glasses.
- Secures clear view.

S-45

WASH & WAX TISSUE

10 Sheets

- Premium Tissue Type for Car Wash & Wax - Made by high quality fabrics.
- Easily cleans dust and protects gloss without water and easier to gloss than liquid type.
- Special formula for blocking UV rays to prevent discoloration.

S-46

ALL PURPOSE CLEANER TISSUE

70 Sheets

- Simply and easily cleans interiors polluted by dust, exhausted gas and tobacco smoke.
- Applicable Car interiors, Dashboard, Electric devices even Home appliances.
- Contains a fresh and delicate Apple fragrance that gives the driver pleasant use.

S-47

FOR CONVENIENT STORE

LEATHER CLEANER

140 ml (4.73 fl.oz)

- Removes dirt without damage to natural leather

S-48

STICKER & TAR REMOVER

150 ml (5.07 fl.oz)

- Removes sticky sticker marks and tar which is debris of asphalt cleanly

S-49

FOAMING SHAMPOO

360 ml (12.17 fl.oz)

- Spray on directly for a quick and easy car wash.
- No need to dilute in water.
- For car surface, tires, bumper and glasses.

S-50

FOR CONVENIENT STORE

WHEEL&TIRE SHINING CLEANER

360 ml (12.17 fl.oz)

- Shines and Cleans Tire & Wheel at once.
- For wheel, aluminum, chrome and tire cleaning.

S-51

MULTI-PURPOSE CLEANER

360 ml (12.17 fl.oz)

- Multi-purpose cleaner for wheel, engine room, dash board, fabric seat, cooks tools.
- Easily Removes grease and various stains. Also restores original colour.

S-52

BUG CLEANER

360 ml (12.17 fl.oz)

- Easily and quickly dissolves bug stains, mute, tree sap for car surfaces and glasses.
- Safe for painted surface and glass of vehicle.

S-53

SCRATCH REMOVER

100 g (3.52 oz)

- Removes light scratches, painted marks, tar and comparisons easily and effectively.

S-54

MULTI-PURPOSE INTERIOR CLEANER

300 ml (10.14 fl.oz)

- Perfectly removes contaminants and stains on the plastic, fabric or leather seat inside a car.
- Prevents re-contamination and restores the original colour of dashboard.

S-55

QUICK HIGH GLOSS DETAILER

360 ml (12.17 fl.oz)

- Contained premium carnauba wax provides exclusive paint protection and rain repellent effect.
- Restores gloss of automotive painted surface.

S-56

FOR CAR WASHING SHOP

HIGH CONCENTRATED POWER CAR SHAMPOO FOR CAR WASHING SHOP

500 ml (16.91 oz)

- Powerful Detergency
- Diluting Ratio :
- Hand Washing Shop or End user : 500ml of shampoo + 100L of Water / (1:200 ratio)
- Automatic Car Washing Machine : 0.5L of product : 6.0L of Water (1:12 ratio)
- Ultra Concentrated Formula
- Efficient storage and Easy use
- Formulated with the environmentally-friendly components

S-57

HIGH CONCENTRATED RAIN REPELLENT COATING WAX FOR CAR WASHING SHOP

500 ml (16.91 oz)

- Outstanding smoothness and rich bubble
- Diluting Ratio : Product 0.5L : Water 6.0L or Product 0.5L x 3 bottles : Water 18.5L
- Ultra Concentrated Formula
- Efficient storage and Easy use
- Formulated with the environmentally-friendly components

S-58

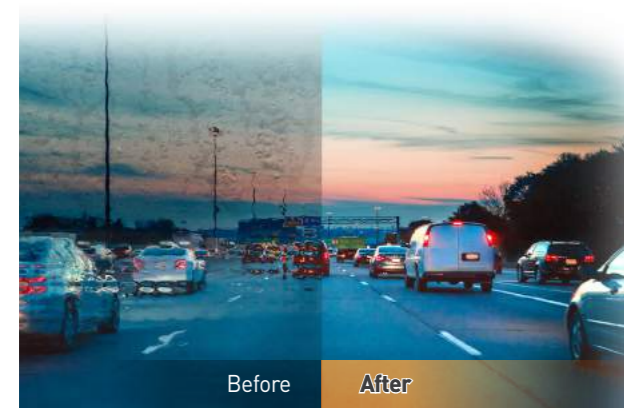

HIGH CONCENTRATED SUPER BUBBLE RINCE FOR CAR WASHING SHOP

500 ml (16.91 oz)

- Outstanding Rain Repellent performance and Gloss
- Diluting Ratio : Product 0.5L : Water 6.0L or Product 0.5L x 3 bottles : Water 18.5L
- Ultra Concentrated Formula
- Efficient storage and Easy use
- Formulated with the environmentally-friendly components

S-59

BALANCEON : Total Health Care Brand

KEEP YOUR LIFE BALANCE WITH BALANCEON

08

BalanceON

The philosophy of BalanceOn is to maintain a correct posture and realize a healthy life through the physical/mental balance. As the best brand for body balance. BalanceOn will continue to provide a new paradigm for health-care and help consumers live healthy and happy lives.

Technology

Double-Layers VETAGEL™

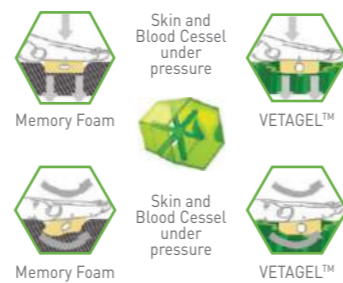

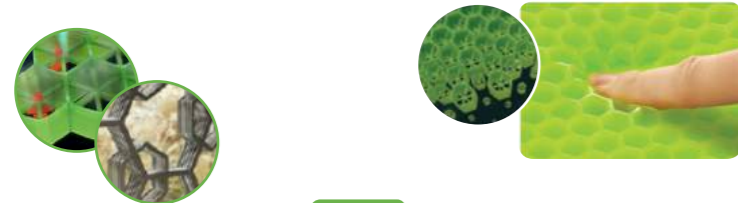

- Highly elastic special polymer with 99.9% antibacterial and non-skin irritating effect
- VETAGEL™ is a combination of Skin-safe oil and the special polymer
- Excellent elasticity and restoring properties of it disperse pressure forced by weight and absorbs external impacts and fine vibrations.
- Heat stability up to 70°C without shape change

Double-Layer HONEY COMB TECHNOLOGY™

- It is patented new technology derived from the honeycomb technology for withstanding weight (Buckling & Compression) of building in architectural engineering and its hexagonal structures are developed by millions of 3D graphic design tests. The technology enhanced its quality with Double-layers pressure dispersion structure having a thin-upper layer for hip and a thick bottom layer.

NST-1000.

- Non-slip and high grade mesh fabric cover. Helps maintain proper posture while sitting for long periods of time.

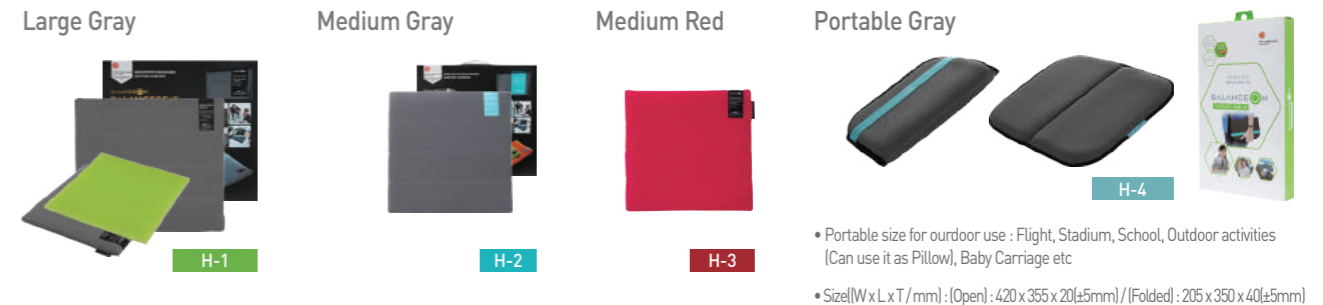

Benefits on BalanceON

Prevention Technology for squashed, twisted skin and blood vessels.

The high-density and high-elasticity of the Double-layers honeycomb structure of the VETAGEL™ provides the optimum dispersion of pressure applied to the hips and thighs, helping to reduce pressure on the skin and blood vessels

SITTING CUSHION

BALANCEON SEAT

- Painless sitting cushion by innovative Vetagel™ Double - Honeycomb structure.
- Effectively reduce and disperse Body Pressure
- Vibration decreasing effect
- International patented / Patented in Korea
- CE certified as medical device
- Registered to FDA(USA)
- Reddot design award 2016 awarded / Korea First, World Best Awards
- Size (W x L x T / mm) : (Open) : 420 x 355 x 20(±5mm) / (Folded) : 205 x 350 x 40(±5mm)

BALANCEON FIT SEAT

- Painless sitting cushion by innovative Vetagel™ Double - Honeycomb structure.
- Moderate Body Pressure Dispersion + Multi uses (Light)
- Central Hole - gives pleasant sitting by depressing the pressure on the area which genitals and anus are contacting.
- CE certified as medical device / Registered to FDA(USA)
- Size (W x L x T / mm) : Fit Seat M : 419 x 330 x 20 (±10 mm)
L : 480 x 380 x 20 (±10 mm)
- ※ Thickness : 20mm (Portable Balanceseat < Fit Seat < Balanceseat M or L)

BALANCEON LUMBAR CUSHION

- Functional Lumbar supporting cushion
- Ergonomic Design by "State-Authorized Laboratory"
- Support the spine by acupuncture effects

- Double layers Honeycomb - Air-Cell VetaGel™
- Maximize body pressure dispersion

BALANCEON PELVIC SEAT

- Functional Pelvis supporting cushion
- Ergonomic Design of Pelvis
- Softly fix the pelvis by "Pelvis liner"
- Central-Balance Hole

- Enhanced Air Permeability by Elastin Mesh-Cover
- CE certified as medical device / Registered to FDA(USA)

PILLOW

BALANCEON AIR-CELL PILLOW PLUS

- Ergonomic C-Curve supporting design
- Optimum pressure dispersion for occipital by the "VETAGEL™"
- Outstanding air permeability by honeycomb structure, Air-cell foam
- Waterproof "Aqua inner cover"
- Air Mesh for Air permeability and Pleasant feeling
- CE certified as medical device / Registered to FDA(USA)

BALANCEON BABY PILLOW

- The BalanceOn Baby Pillow that helps lower Congenital Fever of the new born baby.
- Vetagel emit 51% more heat than cotton material pillows.
- Vetagel material pillow has a temperature of 1.4°C lower than an Urethane material pillow.
- Double-layered Honeycomb structure, Air-Cell Vetagel™ has the Air-Pumping effect of releasing old air and inhaling fresh air by the movements of the baby.
- The Center Hole of the pillow and the elasticity of the Air-Cell Vetagel™ keep your baby's head round.
- A Gel pad block can be inserted into the pillow considering the development of the cervical spine of the baby.
- Patent pending

STERILIZATION & INFECTION PREVENTION

HOCLER

500 ml (16.91 oz)

- Spraying disinfectant
- Sterilizes 99.9% of 51 harmful bacteria and viruses, including smelling bacteria
- Main ingredient Hypochlorous (HOCl) is organic and naturally-occurring core component of all living internal defense systems
- Free of alcohol, oil, fragrance, parabens, sulfates and other preservatives
- Effect on any places and things that bacteria and viruses can multiply by frequent contact

HAND SANITIZER

530 ml (17.72 oz)

- Contains 70% ethanol
- Strong sterilization and disinfection effect without rinsing with water.
- Aloe moisturizing ingredients make the skin moist [Aloe vera, Glycerin and Vitamin E]

CREATE A FUTURE BEYOND EXPECTATIONS!
